

## Homework 12, ECE 535, Fall 2009

Due Friday, Nov 20th

1. Problem 11.2 in the book.
2. Rederive (8.50) for 1-D and 2-D. Start from (8.41). You may assume the same power law (8.49). Parts of the derivation that are common to both need be performed only once.
